Follow the ACS AuthorChoice flowchart to find the option that’s best for you:

**CREATIVE COMMONS LICENSES**
- **Do I need one?** Some funders require a CC-BY license for all published research. Check with your funder to confirm if a CC-BY license is necessary.
- **WHAT ARE MY OPTIONS WITH ACS?**
  1) **CC-BY**: Allows others to distribute, adapt and build upon your work, even commercially, as long as they credit you for the original creation.
  2) **CC-BY-NC-ND**: Allows others to download your works and share them with others as long as they credit you, but they can’t change them in any way or use them commercially.
